September 07, 2011

Dear Valued Customer,

Thank you for continued patronage of Elite Components' products through out the physical year of 2011. As we grow with more products available and larger inventories to service you, we have seen production and shipping costs increase dramatically over the last year. With the mindset of offering the best products at the most competitive prices still our number one commitment, we will be implementing a small increase in our list prices as of October 17th, 2011. We will be sending your new net numbers out by the first of the month and believe you'll find them to continue to be the best value.

For updated list price sheets, visit www.elitecomponents.com or contact your Elite Components representative. These sheets will be posted by October 1st, 2011.

Your business is important to us and we thank you for your continued support.

Sincerely,

A handwritten signature in black ink that reads "Pankaj Malani".

Pankaj Malani

President
